In *The Gang Mystery*, several dogs disappear from Astrid and Yusuf's neighborhood, and desperate owners are pressed for money. Who is behind the disappearances? The solution surprises everyone and help comes from unexpected quarters.

At the same time that Astrid and Yusuf investigate the dog disappearances, a new girl starts in their class. Ane was bullied at her previous school, but quickly becomes part of Astrid's group of friends. Eventually it turns out that she has some experiences from her former school that can be useful in Astrid and Yusuf's investigation.
