A Year of Cardigans

Original title: Et år med kofter
Publisher: Kristin Wiola Ødegård 2023
Non Fiction / Hobby/Hand craft

Smashing cardigans for every month of the year!

A year of cardigans is a book for anyone who is creative, fond of colours and enjoy knitting cardigans and jumpers.

Many of the models in the book have smaller pattern borders which requires a small amount of yarn, so if you have a stock of leftover yarn, the book can give you inspiration to how to use the leftover yarn you already have at home.

This book is a collection of 12 of the author's favourite cardigans from previous books and pattern sheets, in addition you will find patterns for smaller knits such as pulse mittens, necks, scarves and hats.

If you wish to make a Viola brooch to decorate your cardigans with, you will find the step-by-step procedure for how to make it, in the book as well.

Grab your needles, get started and warm up with one of Wiola's wonderful cardigans!
