Tyr is going to be a witch hunter, just like the rest of the family. But first, he must pass the big test. When Varg, the new kid in his class, also shows up, the rehearsal doesn't turn out quite as Tyr had imagined. When Tyr's parents are blamed for the fact that a witch is on the loose in the city, it is not only Tyr's honor that's at stake. Unbeknownst to the adults, Tyr makes a bet with Varg. Which of them will be able to catch the witch?

The big test is the second book about Taika and Tyr. This is Tyr's story.
