## Frenzy has a little taste

Original title: Rabalder smaker på alt
Publisher: Kagge Forlag 2027
Fiction for children age 3-6 years / Children's picture book
1500 Words

***Frenzy has a little taste*** **is the third book in the series about Frenzy, the boy who rebels against moralising finger-wagging. vividly illustrated by Jens K. Styve.**

"Don't be picky, Francis. Just have a taste!" Mum and Dad say. They want him to taste foods he doesn't like. They push and lure him, but Francis doesn't budge: All he wants is his beloved cheese sandwich.

Later, when he opens his lunch box, he discovers that his parents have swapped his cheese sandwich for a shrimp salad. It's an ambush! Francis loses it and becomes Frenzy, and this time, he's not alone: He leads the entire school in a revolt against the adults' tyrannic taste tricks.

The series has been described by critics as "anarchic fireworks" and compared to Roald Dahl and Jakob Martin Strid.

## Ragnhild Holmås and Jens K Styve

**Ragnhild Holmås**, is a full-time author who writes fiction, non-fiction and comics. Holmås has a Master's degree in languages and political studies from University College London. Since her debut in 2020, her way of explaining complex topics in a playful and entertaining manner has earned her critical praise and several awards. In 2024, she became Norway's first female Donald Duck writer.

**Jens K Styve**, winner of several prestigious awards, was recently listed by American Comic Book Resources as "One of the most unique modern comic book artists right now (...) an enormous talent".
Styve's comic series called "Dunce" has been translated and published in Finland, France Spain and UK.
